

"Nutrament[®] helped
me gain about 10 lbs.
I feel and look
a lot better."

Tom Haddock, San Angeles, California

There are two reasons why Nutrament can help you gain weight when other methods may have failed: (1) Nutrament is a nutritionally complete food. Used regularly it will help balance your diet. And a balanced diet is important to healthy weight gain. (2) It's an easy way to add calories. Nothing to fix. Nothing to mix. Just punch open a can and drink it. With meals, or in between. Nutrament—375 calories per can. Four delicious milkshake flavors.
